

The Owl and Mice Movement Song

Movement Song

Key of Dm

Dm

When the mice wake up
In the middle of the night
They will creep and crawl
In the middle of the night

A

They will creep and they
will crawl

Dm

When the owl wakes up
In the middle of the night
She will fly and call
In the middle of the night

A

She will fly and she will
call

Dm

When the mice wake up
In the middle of the night
They will run and hide **x 3**
In the middle of the night

First verse: Children pretend to creep and crawl like mice
Second verse: Pretend to fly and call like an owl.
Third verse: Pretend to run like mice.

Instrument Song

Manipulatives: shakers, rhythm sticks, scarf

Shake your shaker high!
Now shake your shaker low
Now shake it very fast!
And shake it very slooowww
Now tap it on your knees
And gently tap it on your head
Now shake it all around!
Now lets lay it down for bed
Shhhhhhhhh.....

Second verse: "now
tap your sticks up
high..."
Third verse: "now
wave your scarves up
high..."

Spider Fingerplay

Fingerplay

The sun goes down down down
The spider climbs up up up
The mist falls down down down
The moon comes up up up

High in the sky
The spider spins spins spins
High in the sky
The moon becomes very very thin

See video for
hand movements.

Rain Movement Song

Movement Song

Key of C

C

One little drop

Two little drop

G

Three little drop

Rain down

G C

Rain STOP

“One little drop”:
children pretend to
tiptoe in the rain.

“One little hop”:
children pretend to
hop in puddles.

“One big stomp”:
children pretend to
stomp in puddles.

For the second verse
replace “one little
drop” with “one little
hop”. For the third
verse: “one big
stomp”.

Goodbye Song

Connection Song

Key of D

D **A** **D**
It's time to say goodbye

D **A** **D**
It's time to say goodbye

D **A** **D**
I'll remember you

D **A**
And you remember me

D
too

G **D**
So goodbye till next time

A **D**
Oh how fast this flew by

G **D**
So goodbye till next time

A
I can't wait to see you

D
and smile!

You can invite the children to sway with you during this goodbye song, the $\frac{3}{4}$ time signature is calming for the end of class.
